

Poetry in the Pasture

with MC Hyland

Loughlin Ranch
7pm July 15th
music + dancing to follow!

Want to take a walk with a writer?

Eliza Blue's Kithship Collective is hosting writer-in-residence MC Hyland on the Loughlin ranch, 2 miles west of Bison on Hwy 20. For MC's bio, visit: <https://www.mchyland.com/about>

There will be a reading (see poster above) and then an open mic time. Over these next several days, MC will be taking pasture walks with folks, and then writing poems based on the walks. The plan is to have the reading be a culmination of work she is doing as part of a residency for the Kithship Collective (www.kithshipcollective.com).

If anyone plans to be in the Bison area and would like to take a walk with her, please respond to this email and I'll pass the request on to Eliza Blue. She is also putting a sign-up sheet in the Bison library,
